

Going to Church and kid's room

first you will see the coffee and hot coco bar, we can talk with people or just high five.

We go to the Worship center, where we sit with our family

We will sing songs, pray then the younger kids will be dismissed to kids' room.

Your mom or dad will check you in to the kids' room to learn about Jesus.

The kids' room is where you will get to play, learn about Jesus through a story and activity. Your mom or dad will pick you up after church is over.
